Rodrigo Felinto Ibarra Epitácio Maia is an exercise member of the DEM / RJ. Can I help with any more information?

Researching the year 2020, did I identify a normative project authored by Deputy Rodrigo Maia. Here is the project: [PEC 10/2020](https://www.camara.gov.br/camaraetransparencia/pec/pec102020) (Establishes an extraordinary fiscal, financial and contracting regime to deal with the national public calamity resulting from the international pandemic and takes other measures.).

We have no expenses registered by Congressman Rodrigo Maia with air tickets from January to October 2020.
