# No! to Online Abuse and Harassment

---

- NOAH is a registered charity (No. 1287) in Barbados
  - Formed by a group of ordinary Barbadians
  - Concerned about the growing prevalence of online abuse
  - Providing resources to victims of online abuse
  - Conducting seminars and workshops on
    - child online protection
    - personal cyber security
    - cyber bullying
    - combatting revenge porn
-

# Project CARE (Combatting Abuse through Research & Education)

---

- Goal
    - To quantify the problem of gender-based online abuse, raise public awareness and train law enforcement officers in order to improve victims' experiences
  - Objectives
    - Conduct a quantitative survey to investigate prevalence
    - Launch awareness campaign
    - Train police officers
  - Implications
    - Create a safe environment for women online
    - Influence policy
    - Improve justice for victims
-

# Partnerships

---

- **Parliamentarian Support Opportunities**
    - Acknowledging online harassment as a growing issue
    - Endorsing and championing the project and its objectives
    - Encouraging the participation of beneficiaries (e.g. law enforcement, policy makers) in the training and sensitization sessions
  
  - **Parliamentarians Partnership Opportunities**
    - Utilize research findings to inform policy interventions
    - Utilize project outputs (research, infographics, videos, manual) to raise awareness amongst parliamentary colleagues
    - Collaborate with NOAH to develop cyber safety programs and campaigns
    - Collaborate with NOAH and UN to make Project CARE a regional initiative
-
