

Open Call for Translators

ParlAmericas is seeking to expand our network of professional translators interested in working for the organization on a regular basis, in one or more combinations of **English, Spanish, French and Portuguese**.

English – Spanish	Spanish – Portuguese
English – French	Spanish – French
English – Portuguese	Spanish – English

Typical jobs include formal letters, concept notes, website copy and project reports. Translators should be familiar with parliamentary and political vocabulary, and they must adhere to our glossary of preferred terminology and to gender-sensitive language.

We generally request a delivery date estimated at a minimum of 24 hours per 1,000 words. Occasionally we require a quick turnaround on short notice.

If you are interested in working with ParlAmericas, please send your résumé and rate per word to carla.li@parlamericas.org, specifying language combination(s) in the subject line. Please note that we will be asking each of the candidates to complete a short translation exercise (400-500 words) as part of the selection process.

Translators may be based in any country.
