SUSTAINABILITY IN BIDS's

Round 2

Foundations of a High-Impact Program & Best Practices

BEST PRACTICE FRAMEWORK

**STRATEGY &
ACTION PLAN**

**CODE OF
CONDUCT**

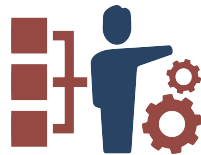

**PROCUREMENT
PROCEDURES**

**TRAINING &
COMMUNICATIONS**

**SUPPLIER
ENGAGEMENT**

**STAFFING &
RESOURCES**

HIPO LIST

TOOLS

**MEASUREMENT
& REPORTING**

**LEADERSHIP &
COLLABORATION**

WHAT IS A HIPO LIST?

A targeted list of products, services or projects that are deemed to have a **high sustainability risk** for the organization, or categories that are deemed to have **highly positive or easy to achieve sustainability impacts**.

EXAMPLE HIPO LIST

Electronic office equipment

IT Software providers

Professional services

Fleet Services

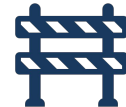

Office Furniture

Cleaning supplies/custodial services

Catering/event services

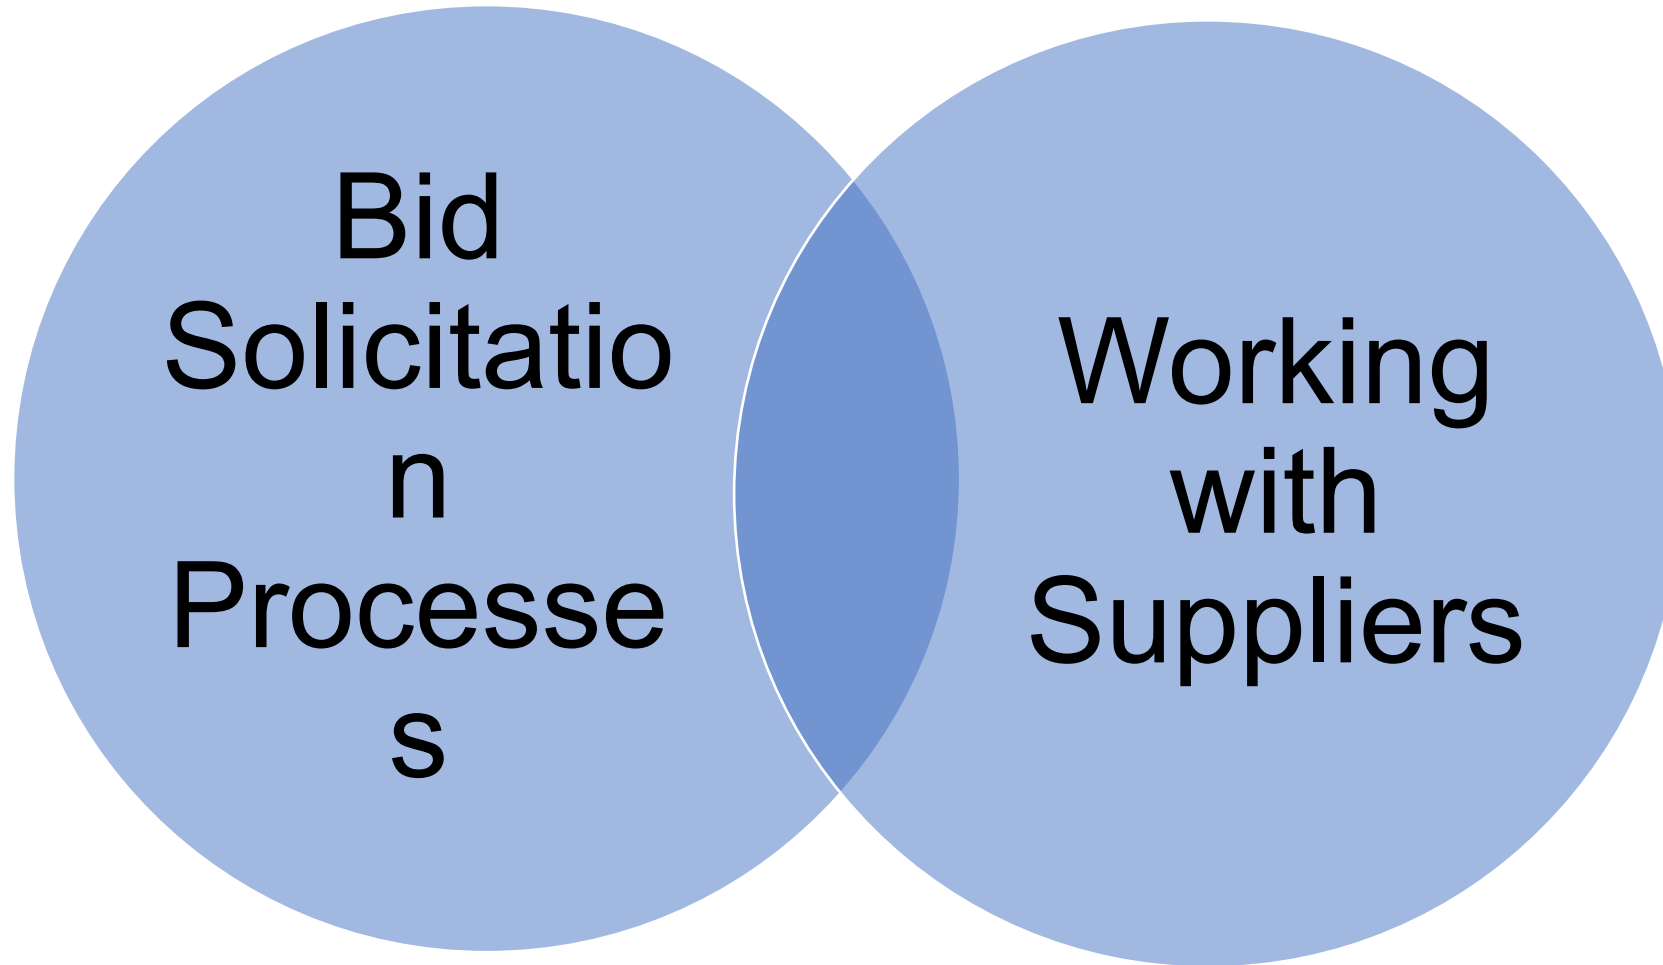

Construction/ renovation Services

SCALED FOR SPENDING LEVELS

REEVE'S SP APPROACH

SUSTAINABLE PRODUCTS & SERVICES

THE ULTIMATE WIN-WIN-WIN

A member-based network of Canadian public-sector institutions who meet virtually to network, share information, and co-create tools to integrate sustainability into their purchasing.

All our clients benefit from cross learning opportunities and industry best practices through the CCSP member network.

CANADIAN COLLABORATION FOR SUSTAINABLE PROCUREMENT
