Panel Discussion: Promoting inclusive climate action

B. 09:15 – 10:15

C. 10:15 – 11:15

D. 11:15 – 12:15

The panel will examine the relationship between social inequality and climate change, how these two issues negatively impact and exacerbate each other and prevent their positive development. In addition, it will examine the manner in which climate strategies can be created through an intersectional approach and contribute to reducing these inequalities while building a green inclusive economy. It will also explore mechanisms to engage and communicate these to the public.

- Moderator: Senator, the Honourable Rosa Galvez (Canada), Vice-President of the ParlAmericas Parliamentary Network on Climate Change for North America
- Dr. Enrico Botta, Coordinator for the Green Growth and Global Relations division, Organization for Economic Cooperation and Development (OECD)
