Bill C-14 MOTION

Senator Peter Harder

Senator Peter Harder moves that the Senate accept the message passed by the House of Commons on Thursday, June 16, 2016.

In its message, the House of Commons accepted some of the Senate's seven amendments to Bill C-14 but rejected others, including an amendment to extend eligibility for medical assistance in dying to those for whom death is not reasonably foreseeable.

Bill C-14 AMENDMENT 1 to Motion

Senator Serge Joyal

Senator Serge Joyal proposes an amendment that would suspend the validity of the part of Bill C-14 that says a person's natural death must be reasonably foreseeable in order to be eligible to receive medical assistance in dying.

That section could only be brought into force once the Supreme Court has rendered an opinion on whether that section is consistent with the Charter of Rights and Freedoms.
