### **The Parliamentary Gathering on the occasion of the IX Summit of the Americas in the city of Los Angeles comes to a close**

The Parliamentary Gathering on the occasion of the IX Summit of the Americas, organized by the House Democracy Partnership (HDP) of the United States House of Representatives, came to a close today, June 7, 2022, in the city of Los Angeles, USA.

A ParlAmericas parliamentary delegation of legislators from the Americas and the Caribbean, participated in dialogue sessions with fellow legislators from the host country and from the different parliaments of the hemisphere where they addressed relevant issues related to the five thematic areas of the IX Summit of the Americas: democratic governance, health and resilience, a green future, energy transition, and digital transformation. The event's agenda also featured a discussion with Mr. Luis Almagro, Secretary General of the Organization of American States.

Tomorrow, thanks to an invitation extended to ParlAmericas by the Young American Business Trust, the members of the parliamentary delegation will have the opportunity to participate in the VI Youth Forum in the Americas to be held on June 8 and 9.

The Parliamentary Gathering on the occasion of the IX Summit of the Americas offered participants a space to promote parliamentary participation in the inter-American system and contribute to valuable inter-parliamentary dialogue on issues of hemispheric importance.
