

ParlAmericas participated in international event on Artificial Intelligence

(LIMA, PERU), August 14, 2024 — Member of the Chamber of Representatives **Rodrigo Goñi** (Uruguay), chair of the Committee for the Future and member of the ParlAmericas Digital Caucus, represented ParlAmericas at the international summit “Artificial Intelligence: Technological Challenges to Development” held in Lima, Peru, on August 13 and 14, 2024.

The event was organized by the Universidad de San Martín de Porres, the Embassy of the United States of America in Peru and the Asia-Pacific Economic Cooperation Forum (APEC), and it brought together specialists, government representatives, international organizations and civil society to discuss different dimensions of artificial intelligence and its connection with democracy, economic development and health.

Member of the Chamber of Representatives Goñi shared his thoughts and experiences on regulating artificial intelligence in the panel “Generative AI & Democracy.”
