

OPERATIONS AND FINANCES

ParlAmericas' operations and activities in the 2022 fiscal year were financed through the support of our member parliaments, our partners and the generous contributions of the Government of Canada through Global Affairs Canada. ParlAmericas wishes to acknowledge with sincere appreciation the invaluable support, expertise and time contributed by member parliaments, individual parliamentarians and partners to ensure the successful implementation of ParlAmericas' programming throughout the year.

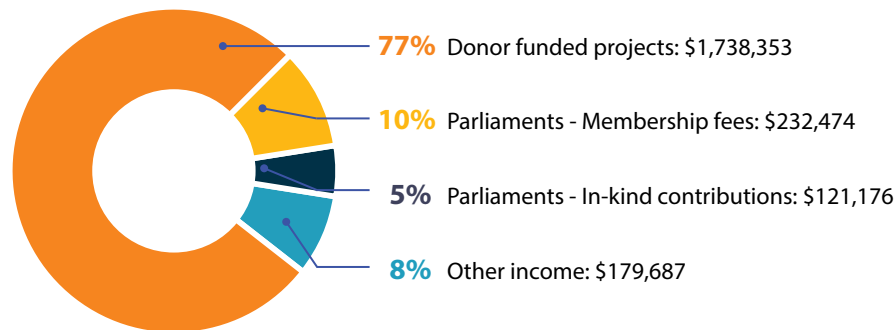

Note: The in-kind contributions included in ParlAmericas' financial statements are recorded when fair values can be reasonably estimated and supporting documentation is provided by the member parliament. We recognize that the amount shown is a fraction of the overall value of in-kind support provided by member parliaments and partners in the normal course of ParlAmericas' operations. ParlAmericas therefore also tracks and records an indicative value of the total contributions to ParlAmericas' programming.

Carbon Neutral Travel: Due to the ongoing COVID-19 pandemic, the majority of ParlAmericas activities were delivered virtually and therefore no travel carbon offsets were purchased this year. For more information about the Carbon Neutral initiative and ways that parliaments can reduce their carbon footprint, we invite you to read the [ParlAmericas Guide on Green Parliaments: Actions to Promote Sustainable Practices within Parliaments](#).
