

OPERATIONS AND FINANCES

ParAmericas' operations and activities in the 2023 fiscal year were financed through the support of our member parliaments, our partners and the generous contributions of the Government of Canada through Global Affairs Canada. ParAmericas wishes to acknowledge with sincere appreciation the invaluable support, expertise and time contributed by member parliaments, individual parliamentarians and partners to ensure the successful implementation of ParAmericas' programming throughout the year.

Note: The in-kind contributions included in ParAmericas' financial statements are recorded when fair values can be reasonably estimated and supporting documentation is provided by the member parliament. We recognize that the amount shown is a fraction of the overall value of in-kind support provided by member parliaments and partners in the normal course of ParAmericas' operations. ParAmericas therefore also tracks and records an indicative value of the total contributions to ParAmericas' programming.
